Subject: M6H1: water infrastructure teams update 9/6

Susan, here are the EPA resource updates and their locations for 9/6. We have: 10 in Austin. 14 in Houston. 2 in Beaumont (home base is Houston until lodging is secured)

9/6/2017

Austin branch – Phone Bank:

10 people continue working in Austin TCEQ Office calling DW & WW systems, including 1 person providing data flow and technical assistance to the state

- Andy Waite
- Juan Ibarra
- Chris Tingey
- Lisa Pham
- Amy Camacho
- Nicole Young
- Alex Nunez
- Anisa Pjetrovic
- Omar Martinez

Houston Bravo branch – DW & WW field assessments:

16 people providing field assessment support to TCEQ

- Mark McCasland
- Robert Houston
- Meaghan Bresnahan
- Rudy Molina
- William Cooper
- Rachel Matthews

- Krystal Stotts, R7
- Neftali Hernandez, R7
- Kimberly Wills-Burr, R7
- Mike Martinm R7
- Candace Bednar, R7
- Laura Webb, R7
- Brandon Boatman, R7
- Alexander Remnek, R2

Beaumont Charlie branch – 2 Water specialists providing assistance to TCEQ Beaumont office and City of Beaumont

- Jose Rodriguez
- Miguel Moreno

Tomorrow 9/7 we expect to have 9 in Austin (as Juan Ibarra demobilized at 1:00 and arrived Dallas 5:30), and we expect to have 15 in Houston and 1 in Beaumont (Jose and Miguel are pulled back to Houston for field work, R7 Kimberly is teamed up with TX State Guard to assist City of Beaumont along with TCEQ and AWOP contractors)
